About *EmergencyCare*

In addition to Paratransit services, *EmergencyCare* provides fast, reliable, and professional emergency ambulance response, nonemergency interfacility ambulance stretcher transports, Community Event ambulance standby services, and education and outreach programs.

EmergencyCare also offers a membership program that **reduces** out-of-pocket expenses for medically necessary *EmergencyCare* emergency ambulance transport services. Please note, that paratransit services are not included with membership.

Community donations allow *EmergencyCare* to stay at the forefront of the EMS industry by training personnel in cutting-edge medical interventions, purchasing updated equipment, and adequately staffing 24/7/365 to serve the community.
